# ACADEMY

a tribute to Gustav Klimt

**ACADEMY - a tribute to Gustav Klimt** di Jannelli&Volpi rende omaggio al grande pittore astro della Secessione Viennese.

Il tributo si basa sullo studio e la ricerca delle grandi opere del periodo aureo, quando il maestro si confrontò, in occasione di un viaggio a Ravenna del 1903, con l'arte dei mosaici bizantini.

Il risultato è una collezione ricca di vere opere di cesello attraverso un goffraggio ad alto spessore espresso sia in disegni che in uniti dall'ampia gamma cromatica.

Una ricerca accurata e cromaticamente ricca di tonalità intense: oro, blu, rosso e toni morbidi espressi su pattern a mosaico e murali di chiara ispirazione klimtiana.

Non mancano tracce del periodo maturo, in cui le linee eleganti vengono sostituite da pennellate libere, cromatismi più accesi e dove i mosaici si trasformano in tappeti di fiori.

*Jannelli&Volpi pays homage to the great Central European painter, star of Viennese Secessionism. The tribute is based on the study and research of the great works of the golden period, when Klimt discovered, during a trip to Ravenna in 1903, the art of Byzantine mosaics.*

*The result is a collection full of real works of chisel through a thick embossing expressed both in designs and in solid colors with a wide range of colors. Accurate research also in the chromatic choice, rich in gold, blue, red, and warm earthy shades expressed on patterns and murals clearly inspired by Klimt.*

*There are also traces of the mature period, in which the elegant lines are replaced by free brushstrokes, brighter colors and where the mosaics are transformed into carpets of flowers.*
