MISSONI HOME
WALLCOVERINGS **04**

Wallcoverings 04 - IT

Jannelli&Volpi e Missoni di nuovo insieme, con una proposta creativa che dona alle pareti di casa la stessa decisa personalità che da sempre caratterizza le due aziende, leader ognuna nel proprio settore.

Forti della tradizione Made in Italy, le due società sono unite dalla passione per il decoro, le trame, le grafie, le palette colori dai molteplici contrasti, che danno vita a interior originali.

Da questa unione nasce la quarta collezione di carte da parati MissoniHome Wallcoverings 04, una proposta che armonizza sfumature, geometrie e natura, in un caleidoscopio di disegni e pattern iconici della maison Missoni.

Wallcoverings 04 - FR

Lidia Jannelli, Mauro Jannelli, Paola Alba Jannelli

Fondata nel 1961 da Oreste Jannelli, è leader in Italia nei rivestimenti murali e carte da parati 100% Made in Italy, dai più alti standard di stile e qualità.

È oggi di proprietà dei tre figli: Mauro Jannelli (CEO), Paola Jannelli (Resp.le CreativeLab e Comunicazione), Lidia Jannelli (CFO).

Suoi i brand JV Italian Design e JWall (la collezione 2013 viene selezionata nell'Adi Design Index 2014), disegnati dal CreativeLab dell'Azienda e CO.DE Contemporary Design by Jannelli (presentata ad aprile 2019). JV License include invece collaborazioni esclusive con design iconici e con il mondo dell'arte: M.C. Escher, Marimekko, Leonardo, Composition - A Tribute to Kandinsky.

È licenziataria esclusiva di ArmaniCasa per Armani/Casa Exclusive Wallcoverings Collection e MissoniHome per MissoniHome Wallcoverings.

Ha partecipato alle principali fiere internazionali: Maison&Objet, Déco Off, Heimtextil, Mosbuild.

Nell'aprile 2019 la sua prima presenza al Salone del Mobile, nel Padiglione S.Project dedicato ai progetti contract, con uno stand co-firmato Matteo Ragni e Paola Jannelli.

L'azienda, che ha sempre prestato attenzione al link tra industria e ambiente, continua nel suo processo di sostenibilità e di ampliamento dei sistemi di economia circolare, anche grazie all'implementazione di nuove tecnologie di produzione, con l'utilizzo di materie prime certificate e il riutilizzo dell'energia prodotta.

Costruisce un sistema di economia circolare con Greenwall, nato in collaborazione con Polygreen.

Greenwall è un materiale ricavato dagli scarti di produzione dei rivestimenti in vinilico, poi aggiunto a materiali di origine vegetale, dando vita a superfici in erba sintetica, utilizzati in ambito sportivo.

Founded in 1961 by Oreste Jannelli, Jannelli&Volpi leads Italian wallpaper industry for his 100% quality Made in Italy product.

Currently managed by Mauro Jannelli (CEO), Lidia Jannelli (CFO) and Paola Jannelli (CreativeLab and Communication manager).

JV's brands are JV Italian Design and JWall (in 2013 the second one has been selected by Adi Design Index 2014), designed by JV CreativeLab and Co.De Contemporary Design by Jannelli (presented in April 2019).

'JV License' is inspired by the world of art and by iconic designs: M.C.Escher, Leonardo, Composition - A Tribute to Kandinsky and Marimekko (exclusive license). JV is also Armani Casa's exclusive licensor for 'Armani Casa Wallcoverings Collection' and Missoni Home's one for Missoni Home Wallcoverings.

JV attends the most important exhibitions in Europe: Heimtextil in Frankfurt, Deco-off and Maison&Objet in Paris and Mosbuild in Moscow.

In 2019, for the first time ever, JV attends Salone del Mobile as well with a stand of 200sqm, presented by the cooperation of Paola Jannelli and Matteo Ragni.

The company, has always paid attention to the link between industry and the environment, is building a circular economy process which together with the implementation of production technologies, the use of certified raw materials and the recovery of the produced energy.

Greenwall, which is born in collaboration with Polygreen, is a material made from production waste of vinyl wallcoverings in addition to material was vegetable in origin, giving birth to synthetic grass surfaces for the use in the sport practices.
