## MURALTO CLASSIC

Inspired by Italian tradition of classic wallcovering, Muralto Classic is, once again, an important piece for Sirpi, Moda Made in Italy. Proposition in 3 subjects (2 damasks and 1 panorama), each one combines with stripes and planes. Italian Panorama is a contemporary alternative into a classic program. Handmade embossing makes wallcoverings rich and deep. Range of colors: gold, silver, pearl, blue, earth. It applies to highest target, contract and residential situations.
