JWALL® SHUNAN

PERFORMANT WALLCOVERINGS

JWALL Shunan è una collezione di rivestimenti murali in vinilico su supporto tessuto non tessuto, ideata per ambienti contract e residenziali. Fonde un design innovativo con materiali di ispirazione naturale: bambù, foglie, legno, impreziositi da elementi metallizzati che donano un tocco di raffinatezza ed eleganza agli ambienti.

L'utilizzo di goffrature decise e di tonalità naturali, come le scale cromatiche di beige e grigio, unite dall'effetto metallizzato, consentono alla collezione di illuminare e impreziosire qualsiasi ambiente.

Dotato di ampie certificazioni sia europee che internazionali mantiene caratteristiche tecniche che garantiscono ottima lavabilità, resistenza agli urti e facile applicazione in fase di posa.

JWALL Shunan is a collection of wallcoverings in vinyl on a non-woven base, designed for contract and residential spaces.

The collection combines innovative design with natural-inspired materials: bamboo, leaves, and wood, embellished with metallic elements that lend a touch of refinement and elegance to environments.

The use of bold embossing and natural hues, such as color scales of beige and gray, combined with the metallic effect, allow the collection to brighten and embellish any room.

Equipped with extensive certifications both European and international, it maintains technical characteristics that guarantee excellent washability, impact resistance and easy application during installation.
