

BANBURY

Collection ALTAGAMMA WOVEN

Description

AltaGamma Woven, through unique textures and traits, interprets the theme of men's tailoring, inspired by fine textures from the design between classic and contemporary style, and proposes patterns with juxtapositions of fragments, combining textured and three-dimensional working with pinstripes, stripes and chevrons. A zig-zag pattern made through the creation of a regular and rough pattern of crossing threads. Banbury creates a rustic and intimate setting, perfect for convivial home environments.
