Collection ALTAGAMMA WOVEN

Description

AltaGamma Woven, through unique textures and traits, interprets the theme of men's tailoring, inspired by fine textures from the design between classic and contemporary style, and proposes patterns with juxtapositions of fragments, combining textured and three-dimensional working with pinstripes, stripes and chevrons. A linen effect that refers to the typical fabrics of men's clothing. Wide range of shades, from the most natural to the most intense, making Loom versatile and perfect for any room wall.
