Collection ACADEMY A Tribute To Gustav Klimt

Description

ACADEMY - a tribute to Gustav Klimt. The tribute is based on the elaboration of his great works from the golden period, where he revisits the art of Byzantine mosaics. The result is a collection rich in true masterpieces, with luminous and brilliant relief enamels expressed through a high-thickness embossing. A meticulous and chromatically rich exploration: gold, blue, red expressed in mosaic patterns and murals clearly inspired by Klimt.
