Collection ScalamandrÉ

Story behind the collection

ScalamandrÉ and Jannelli&Volpi give life to an unprecedented collaboration, ScalamandrÉ by Jannelli&Volpi: a travel story through the 5 continents characterized by a graphic sign that originates from the classic style of the nineteenth century. The collection thus links together important designs in large format and with a personal style, expertly interpreted by bright and intense colors, and by supports such as non-woven fabric, silks and straws. Since 1945 it has been the most iconic and well-known motif in the collection, a pillar therefore of design that shows no signs of time. Available on TNT backing and in raffia vegetable fiber.
