Collection ScalamandrÉ

Story behind the collection

ScalamandrÉ and Jannelli&Volpi give life to an unprecedented collaboration, ScalamandrÉ by Jannelli&Volpi: a travel story through the 5 continents characterized by a graphic sign that originates from the classic style of the nineteenth century. The collection thus links together important designs in large format and with a personal style, expertly interpreted by bright and intense colors, and by supports such as non-woven fabric, silks and straws. For more than two decades, ScalamandrÉ's charming Baldwin Bamboo has been one of the brand's most popular wallpapers. Named in honor of interior design legend Billy Baldwin, and inspired by his groundbreaking design for New York's iconic Kenneth hair salon, this delightful chinoiserie-style openwork decoration is available in matte, iridescent raffia plant fiber.
