Collection ScalamandrÉ

## Story behind the collection

ScalamandrÉ and Jannelli&Volpi give life to an unprecedented collaboration, ScalamandrÉ by Jannelli&Volpi: a travel story through the 5 continents characterized by a graphic sign that originates from the classic style of the nineteenth century. The collection thus links together important designs in large format and with a personal style, expertly interpreted by bright and intense colors, and by supports such as non-woven fabric, silks and straws. This chinoiserie-inspired design makes a timeless statement from a bold powder room to an elegant dining room. Shown in several varieties, it is also available in metallic silk wall fabric.
