

Balinese Peacock

Collection ScalamandrÉ

Story behind the collection

ScalamandrÉ and Jannelli&Volpi give life to an unprecedented collaboration, ScalamandrÉ by Jannelli&Volpi: a travel story through the 5 continents characterized by a graphic sign that originates from the classic style of the nineteenth century. The collection thus links together important designs in large format and with a personal style, expertly interpreted by bright and intense colors, and by supports such as non-woven fabric, silks and straws. Exotic fruit, foliage and peacock motifs are rendered with fine batik details for an effect reminiscent of the South Seas. Balinese Peacock's medium-sized scale and graceful vine pattern make it a versatile paper suitable for any setting.
