Collection ScalamandrÉ

Story behind the collection

ScalamandrÉ and Jannelli&Volpi give life to an unprecedented collaboration, ScalamandrÉ by Jannelli&Volpi: a travel story through the 5 continents characterized by a graphic sign that originates from the classic style of the nineteenth century. The collection thus links together important designs in large format and with a personal style, expertly interpreted by bright and intense colors, and by supports such as non-woven fabric, silks and straws. Linear yet organic, leafless trees are nature's answer in its essential form. Everett is a modern reimagining of this classic motif. The large-scale print captures the details of the original watercolor.
