

# FUKUE

Collection GRAPHIC ELEMENTS 3

## Description

Faithful to its journey connotation, Graphic Elements 3 by Armani/Casa invites to explore the Far East: the aura of Japanese islands, with their rich nature and millenary culture, was the source of inspiration for patterns and textures featured in this collection. This wallcovering is marked by a textured surface imitating a loosely woven canvas. Fukue can be the absolute protagonist if applied alone, or can be combined with other wallcoverings from the Graphic Elements 3 collection to be used as a plain, since it shares the same base material – metallic silver gauze on a non-woven base - of Hokkaido and Honshu.
