Collection GRAPHIC ELEMENTS 3

Description

Faithful to its journey connotation, Graphic Elements 3 by Armani/Casa invites to explore the Far East: the aura of Japanese islands, with their rich nature and millenary culture, was the source of inspiration for patterns and textures featured in this collection. Designs marked by rigorous lines are enlivened by the use of a variety of supports, different printing techniques, and precious materic surfaces. Geometries coming from ancient Japanese traditions, such lacquers e origami, are vividly reproduced on the wallcoverings, adding an exquisite touch of refinement.
