Collection PRECIOUS FIBERS 4

Description

Precious Fibers 4 remains faithful to the philosophy of the collection, mixing refined materials to emphasize the beauty of macro scale and panoramic designs. The typical Armani sensitivity to nature is visible in the choice of drawing inspirations from leaves and natural stones for new proposals, as well as new color variations of existing iconic designs – such as Aida and Iolanta. Always keeping an eye on the fashion roots of the house, silk plissé, intertwined patterns and prints evoking exquisite fabrics seen on the runway are present as well.
