

ARTICHAUT

Collection JV 505 GRANDE CORNICHE

Description

JV 505 Grande Corniche, a major collection of wallcoverings that brings with it the early industrial printing techniques of the nineteenth century and the extraordinary manufacturing innovation of the contemporary. Historical design belonging to the great Jannelli&Volpi archive. The company, in fact, has acquired over time an important number of drawings from all over the world. Among them we find a selection of works belonging to the Paul Dumas atelier, a Parisian designer and manufacturer of wallpapers and fabrics, active since 1906 in France. These works are included in collections of Musée des arts décoratifs de Paris, the Victoria and Albert Museum, London, and the Metropolitan Museum of Art. Artichaut is already present in the first editions of the 1970s Grande Corniche collection: its decorative strength does not lose its luminosity and beauty.
