Collection JV 505 GRANDE CORNICHE

Description

JV 505 Grande Corniche, a major collection of wallcoverings that brings with it the early industrial printing techniques of the nineteenth century and the extraordinary manufacturing innovation of the contemporary. One of the iconic signs of wallcovering culture, the Banana print finds its origin in the distant Americas. In fact, this design comes from the historical American archives and represents all the grandeur given by the large leaves and the lightness expressed in the graphic movement.
