Collection JV 505 GRANDE CORNICHE

Description

JV 505 Grande Corniche, a major collection of wallcoverings that brings with it the early industrial printing techniques of the nineteenth century and the extraordinary manufacturing innovation of the contemporary. It couldn't miss in this collection, so attentive to the culture of design, this work by Paul Dumas. Tropical, in fact, is a historic design that is still inspiring today for its perfect graphic balance, for its airy movement that restores communicative force to the environment in every variation.
