Collection JV 103 PRIMAVERA

Description

JV 103 Primavera is a collection of wallcoverings that explores and interprets the concept of revival, inspired by the idea inherent to the spring season as a source of creative and regenerating energy. A solid with delicate embossing in evenly sampled plain colors, made in a palette that ranges from pastel to bolder tones, even introducing a metallic variant. The shades, which are mainly inspired by the classic colors that characterize spring, are enriched by some cool tones, for those who want to make their walls stand out with a touch of brilliance.
