

PRATO FIORITO

Collection JV 103 PRIMAVERA

Description

JV 103 Primavera is a collection of wallcoverings that explores and interprets the concept of revival, inspired by the idea inherent to the spring season as a source of creative and regenerating energy. Drawing from the historical archives of Jannelli&Volpi, it was painted with harmonious and bright brushstrokes and made in three shades of color, juxtaposed with the Spring mural. A harmony of colors that makes one perceive the sounds and scents of spring in a lush field dotted with blooming little flowers.
