

CORIFA

Collection JV 103 PRIMAVERA

Description

JV 103 Primavera is a collection of wallcoverings that explores and interprets the concept of revival, inspired by the idea inherent to the spring season as a source of creative and regenerating energy. Paired with the Horizons mural, this design, made in one neutral shade and two brighter ones, evokes the tufts of leaves of a plant, which seem almost to be in motion and colored by the different lights that illuminate different times of the day. Corifa covers the walls with harmony, lights and colors, giving a convivial and relaxed atmosphere to the room. The use of metal support in the blue variant gives bright and intense iridescent color effects.
