

ARIA

Collection JV 103 PRIMAVERA

Description

JV 103 Primavera is a collection of wallcoverings that explores and interprets the concept of revival, inspired by the idea inherent to the spring season as a source of creative and regenerating energy. A sky painted in three different tones, using shades of gray, pink and blue, with brush strokes that go to recreate clouds that give the feeling of stillness. A gentle breeze moves the clouds, recreating an effect of movement and coziness in the environment in which Aria is placed.
