Collection JV 103 PRIMAVERA

Description

JV 103 Primavera is a collection of wallcoverings that explores and interprets the concept of revival, inspired by the idea inherent to the spring season as a source of creative and regenerating energy. Mural made in three shades, neutral, intermediate and more decisive, capable of adapting to both convivial and private environments, thanks to the possibility of being rotated and applied according to the buyer's stylistic preferences. The brush strokes and color gradations recreate an atmosphere reminiscent of the colors of sunrise and sunset, with shades that can give depth to the environment and a feeling of calm and peace.
