

MAIKO

Collection JV 904 STARDUST

Description

JV 904 Stardust celebrates the elegance of Japanese spirit fused harmoniously with naturally inspired materials-a visual and tactile journey that transforms rooms into an oasis of style and beauty. Module representing small relief fans that, placed side by side, create the visual effect of a delicate labyrinth. Maiko enhances ambience and brightens it with the touch of silver with which fans are laminated, contrasting with the natural shades in which it is offered.
