Collection JV 202 MURALS DECOR

Description

JV 202 Murals Decor collection offers a wide selection of decorative murals to furnish and give the environment a unique atmosphere and personalized style. A proposal full of new subjects that adopts a breakdown system that is a cornerstone of the collection, for ease of choice and application. A city lit by the moon reflected, in a play of light and shadow, on the river that runs across it. Embossing accentuates the perspective of the design and gives space to ambiances; in the version on a silver base, the metallic effect contours the moon and makes it stand out, creating a point of light in the room.
