

INVERMERE SUMMER

Collection JV 202 MURALS DECOR

Description

JV 202 Murals Decor collection offers a wide selection of decorative murals to furnish and give the environment a unique atmosphere and personalized style. A proposal full of new subjects that adopts a breakdown system that is a cornerstone of the collection, for ease of choice and application. Landscape nestled among the hills in which the protagonist is the sun that, about to set, gives the valley its last moments of light. Invermere, enriched by a round geometric motif protruding behind the hills, infuses depth and dynamism, a clear reference to Japanese gardens.
