Collection JV 202 MURALS DECOR

## Description

JV 202 Murals Decor collection offers a wide selection of decorative murals to furnish and give the environment a unique atmosphere and personalized style. A proposal full of new subjects that adopts a breakdown system that is a cornerstone of the collection, for ease of choice and application. Inspired by the decorative technique of Shibori, Nagoya creates a kind of abstract pattern on the wall, accentuated by embossing. Shades of color are weaved into the pattern, which, enhanced by the metallic effect of the base, give a touch of light and elegance to the walls.
