Description

JV 202 Murals Decor collection offers a wide selection of decorative murals to furnish and give the environment a unique atmosphere and personalized style. A proposal full of new subjects that adopts a breakdown system that is a cornerstone of the collection, for ease of choice and application. Inspired by a Chinese mountain range, it depicts a landscape surrounded by clouds and fog. The forest, sheltered by the mountains, is reflected in the lake, creating shades that infuse environments with depth; this effect is accentuated in the metallic version, which enhances the mountains, making the space even more spacious.
