

DASOS

Collection JV 104 LITHOS

Description

This collection celebrates Mediterranean aesthetics, reproducing typical textures and dusty colors, bringing out its elegance and style: a reinterpretation of walls, houses, and concrete as symbols of architecture and endurance, enhanced with artistic finishes. Vertical wide comb spatula enriched with a tone-on-tone treatment to give walls depth and sophistication, thanks to elegant and defined lines. Strategically placed matte ridges, treated distinctly from the background, create a pleasant play of light and shadow. The color palette includes warm neutral tones such as white, gray, and sand, and dark nuances such as different shades of brown, to lend warmth and character to modern, elegant rooms.
