

DAIDALOS

Collection JV 104 LITHOS

Description

This collection celebrates Mediterranean aesthetics, reproducing typical textures and dusty colors, bringing out its elegance and style: a reinterpretation of walls, houses, and concrete as symbols of architecture and endurance, enhanced with artistic finishes. Horizontal solid color finishes, characterized by a very fine and refined spatula effect, which creates a subtle and light movement, giving a soft and sophisticated look. The multicolor print enriches the design with dusty and natural tones, such as beige, taupe, warm gray and earthy shades, evoking a calm and harmonious atmosphere, combining minimalist elegance and naturalness.
