

CARANTO

Collection JV 104 LITHOS

Description

This collection celebrates Mediterranean aesthetics, reproducing typical textures and dusty colors, bringing out its elegance and style: a reinterpretation of walls, houses, and concrete as symbols of architecture and endurance, enhanced with artistic finishes. Pattern combining smooth and scratched tiles, creating an interplay of surfaces and textures that add depth. Completing the pattern is a joint between the tiles in shiny adding a touch of elegance and brightness. The proposed shades, from darker to lighter, offer a refined and versatile contrast, perfect for modern and refined environments. In some variants, the design is enriched with metallic details or lighting effects to further enhance the aesthetic rendering and create a welcoming and visually striking environment.
