

TETI

Collection JV 104 LITHOS

Description

This collection celebrates Mediterranean aesthetics, reproducing typical textures and dusty colors, bringing out its elegance and style: a reinterpretation of walls, houses, and concrete as symbols of architecture and endurance, enhanced with artistic finishes. Spatulate effect with brushstrokes of color that create the image of bright, shining shells. The embosser creates a visual and tactile effect that gives depth to any type of environment. Teti is offered in two versions, a matte version with sandy and natural textures, and a metallic version made of silver foil.
