

GEA

Collection JV 104 LITHOS

Description

This collection celebrates Mediterranean aesthetics, reproducing typical textures and dusty colors, bringing out its elegance and style: a reinterpretation of walls, houses, and concrete as symbols of architecture and endurance, enhanced with artistic finishes. United in six shades, with a metallic craquelé finish, ranging from warm gold to silver, from deep bronze to turquoise and shiny white like ceramic. This refined combination of colors and reflections creates a bright and sophisticated effect, perfect for adding a touch of modernity and elegance to any room, enhancing details with a lacquered and velvety look.
