Collection JV 104 LITHOS

## Description

This collection celebrates Mediterranean aesthetics, reproducing typical textures and dusty colors, bringing out its elegance and style: a reinterpretation of walls, houses, and concrete as symbols of architecture and endurance, enhanced with artistic finishes. Mural depicting a fairy-tale landscape offered in a cool variant, in a matte finish, and in a warm variant embellished with warm metallic and embossed details, combined with smoother surfaces, in autumnal tones that recall the typical colors of the season, creating a harmonious fusion of elegance and naturalness.
