Collection JV 104 LITHOS

## Description

This collection celebrates Mediterranean aesthetics, reproducing typical textures and dusty colors, bringing out its elegance and style: a reinterpretation of walls, houses, and concrete as symbols of architecture and endurance, enhanced with artistic finishes. Mural in two variants, a warm metallic one in shades of gold and terracotta and a cool, silver and white one depicting a bookcase in which vases and jugs are neatly and precisely displayed. The design creates a dynamic effect, perfect for giving depth and elegance to the wall and conveying a balance between warmth and sophistication, ideal for contemporary environments that desire a touch of style and personality.
