Collection JV 106 AMAZZONIA

## Description

JV 106 Amazonia is a collection of wall coverings inspired by a silent journey into the heart of the rainforest. It captures the primal beauty of nature, aiming to bring the wild, enveloping, and elegant essence of the tropical jungle into contemporary spaces. Characterized by a texture that recalls the softness and durability of canvas, this fabric conveys a sense of understated elegance. Its delicate and refined tactile texture adds depth and a tactile sensation that envelops the space. Ideal for contemporary environments, it is perfect as a versatile and sophisticated base, harmonizing with any type of furniture.
