

RAFIA

Collection JV 106 AMAZZONIA

Description

JV 106 Amazonia is a collection of wall coverings inspired by a silent journey into the heart of the rainforest. It captures the primal beauty of nature, aiming to bring the wild, enveloping, and elegant essence of the tropical jungle into contemporary spaces. Inspired by the craftsmanship of raffia fiber, this design celebrates weaving as a primordial gesture and as a decorative art. The irregular lines and texture play recall hand-woven baskets, tactile textures, and the ancient wisdom of hands transforming nature into everyday beauty. A versatile wallpaper that dresses walls with a material warmth and organic minimalism.
