Collection JV 106 AMAZZONIA

Description

JV 106 Amazonia is a collection of wall coverings inspired by a silent journey into the heart of the rainforest. It captures the primal beauty of nature, aiming to bring the wild, enveloping, and elegant essence of the tropical jungle into contemporary spaces. A tribute to the most authentic roots of the Amazon, the graphic patterns evoke ancestral symbols, tribal rhythms, and textiles, blending with almost abstract vegetal shapes in an enveloping and rhythmic design.
