

Kukkatori

Collection Marimekko 07

Story behind the collection

Marimekko returns with iconic designs interpreted by new production techniques for the new collection Wallcoverings Marimekko 07 by Jannelli&Volpi. Its unmistakable mark for more than seventy years expressed in fashion and design, in fact, makes its patterns unique, both historical and newly created, and they constitute, for modernity and innovation, a great source of inspiration for the interior world as well. Maija Isola's Kukkatori (flower market) motif was inspired by the abundance of colorful flowers in a summer market.
