

Kukkameri

Collection Marimekko 07

Story behind the collection

Marimekko returns with iconic designs interpreted by new production techniques for the new collection Wallcoverings Marimekko 07 by Jannelli&Volpi. Its unmistakable mark for more than seventy years expressed in fashion and design, in fact, makes its patterns unique, both historical and newly created, and they constitute, for modernity and innovation, a great source of inspiration for the interior world as well. Designed by Aino-Maija Metsola, Kukkameri (sea of flowers) is a motif for which all the flowers on the lawn have been picked to create a cheerful floral explosion.
