Collection Marimekko 07

Story behind the collection

Marimekko returns with iconic designs interpreted by new production techniques for the new collection Wallcoverings Marimekko 07 by Jannelli&Volpi. Its unmistakable mark for more than seventy years expressed in fashion and design, in fact, makes its patterns unique, both historical and newly created, and they constitute, for modernity and innovation, a great source of inspiration for the interior world as well. Majja Isola's artwork covers a surprisingly wide range of patterns and design techniques. The Näkki (nixie) print shows an undulating rhythm of dense stripes. It coordinates with the Isot Kivet Näkki design.
